

SAPULUT FOREST DEVELOPMENT SDN BHD

Forest Management Certification Commitment

Through our management prescriptions and standard operating procedures (SOP), Sapulut is committed to good practices in Natural Forest (NFM) based on the requirements of forest management certification. All our manager, officers, staff and contractors are required to follow such SOPs.

Sapulut is also committed to maintain its Forest Management Certification with firm adherence to the Principles and Criteria of Malaysia Criteria and Indicator for Sustainable Forest Management [MC&I (SFM)]. We believe the Forest Management Certificate is positive for the company, as well as the industry.

Melalui pengurusan dan piawaian prosedur operasi (SOP) kami, Sapulut adalah komited terhadap amalan baik bagi tujuan Hutan Asli (NFM) selaras dengan keperluan pensijilan pengurusan hutan. Semua pengurus, pegawai, kakitangan dan kontraktor kami adalah dikehendaki untuk mematuhi SOP tersebut.

Sapulut juga komited untuk mengekalkan Pensijilan Pengurusan Hutan dengan mematuhi Kriteria and Petunjuk bagi Pensijilan Pengurusan Hutan [MC&I (SFM)]. Kami percaya Pensijilan Pengurusan Hutan adalah positif bagi syarikat dan juga industri
